

Holiday Inn Hotel & Suites Hotel General Manager

New HOLIDAY INN HOTEL & SUITES resort hotel at Virginia's Blue Ridge Shadows Resort opening April 2008. Features a Houlihan's Restaurant + Bar, conference center and full-service spa. Blue Ridge Shadows Golf Club.

How a Person Can Make an Impact in This Job

Every General Manager can make an impact every single day. In today's world of mediocre service, even the smallest gestures and displays of hospitality can make someone's day. In this hotel, you have the opportunity make our guest's stay a special one they will fondly remember

Who Will this Job Appeal To?

We are seeking a creative individual who wants to join a very progressive company that has realistic budgets and projections. Someone who wants to put down roots and take on an active role in the community. We are looking for a dedicated leader who is profit driven and enjoys autonomy within defined guidelines.

The Ideal Candidate for this Position

An experienced individual who is seeking the opportunity to open a new hotel and make it successful. Someone who wants a clean slate on which to showcase their knowledge, creativity, progressive thinking and character. This is an outstanding opportunity to be involved in a growing community; one that is desirable and attractive. The Shenandoah Valley of Virginia is a great place to live. The management and ownership of this project are experienced hotel and restaurant managers and developers; individuals who know the business and know how to be successful. We are seeking someone who wants to be part of our team, part of our hotel family, well respected in the community and a leader. Someone who loves people and shows it every day! An ideal person for this position is someone looking for a long term opportunity and who is dedicated to the hotel they represent.
